

## CUSTOMS.

**NOTICE** is hereby given, under Orders from Government and from the Board of Customs, dated the 2d and 9th Instant, respectively, that no Duplicate or Additional Copies of Documents issued from this Office can be granted, except upon payment of a Fee of Five Rupees for each, to be placed to Credit of the Government. But Duplicate or Additional Copies of Documents of which the originals (stated to have been lost or mislaid) might eventually be used to the prejudice of Revenue, here or elsewhere, will on no account be granted.

11th June, 1834.

G. J. SIDDON, Collector.

## CUSTOM HOUSE NOTICES.

**TO** protect from IMPOSITION such Persons as are strangers in Calcutta, and who employ Natives to transact Business for them at this Office, it is notified, that for every sum taken, as Government Customs or Duty, a receipted Bill is given under the signature of the Collector, or of his Deputy, or his Covenanted Assistant.

**CLEARANCES**, whether Inward or Outward, can be given only in REGULAR TURN, and it is for Commanders, or others, on their part, to see that their Applications be duly noted with the date and hour of receipt by the Supervisors respectively. Applications for Outward Clearance (or Export Manifests) cannot be received, unless accompanied by Certificate of Inward Clearance, and it is required that such Applications be presented at least *Five complete days* previously to the date on which PORT CLEARANCE is desired, in order that time may be allowed for the adjustment of Export Cargoes; though it will be issued earlier if practicable.

**NO FRES** are taken for any AFFIDAVITS sworn in this Office on the subject of Custom House Business; nor are any FRES whatever allowed to be taken by any Persons belonging to this Establishment, whether sitting within the Office, or stationed out of doors.

Importers of **GUNPOWDER**, are requested to refer to the Notification, by order of the Board of Customs, dated the 18th, and published in the Government Gazette of 23d January 1833.

The Proprietors of **DOCK YARDS**, and the **PUBLIC** at large, are requested to take notice, that no Goods, nor Packages, are allowed to be IMPORTED, EXPORTED, RE-LANDED, RE-SHIPED, TRANSHIPPED, or removed from **VESSELS** to **SLOOPs** or **BOATs** after Shipment, without due sanction from this Office;—whether the same be liable to, or exempt from, **DUTY**. Attention is directed to Clause Seventh, Section XLV. to Sections LXI. LXIV. LXXIV. LXXXII. LXXXIII. & LXXXIV. of Regulation IX. 1810; and to Section III. of Regulation XI. of 1830;—also to Clauses IV. and V. of the Government Notification of 28th June 1822, for Conditions of certain exemptions.—[20th March 1830.]

**GOODS** for ONE **VESSEL** taken to ANOTHER.—Notice is hereby given, that if Goods passed through this Office for a specified Vessel, be taken, directly or indirectly, and put on board of any Vessel other than that for which the said Goods have been passed through the Forms of this Office, no Drawbacks, nor Certificates for other Presidencies, will be granted. And if such Goods be seized in illegal transit to, or when alongside of, a Vessel other than that for which they have been passed through this Office, they will be liable to eventual confiscation under Section II. Regulation III. of 1830.

If **GOODS** which have been passed for a specified Vessel, cannot, for whatever reason, be taken on board that Vessel, and are fairly brought back to the Custom House for RE-LAND, and subsequent RE-EXPORT to the same Vessel, or to any other, or for regular Transshipment, they facility will, as usual, be afforded for such exceptions.—[28th September 1832.]

**ROWANAHS** for **GOODS** RE-LANDED.—If Goods be Exported in full of Rowanahs then current; but are re-landed, and not subsequently Re-exported until after the Rowanahs are time-expired, then such Goods are considered as Fresh Exports, are treated as if they had never been protected by Rowanahs, and Duty is taken if any be payable on such Goods under the Regulations. But upon request made on the face of Re-land Applications, (not a revenue) parties will be furnished with Certificates giving particulars of Rowanahs, in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required,

they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as Fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portion of Goods being Re-landed, no such Certificates as those above described will be issued.—[28th February 1832.]

**BEBEE ROSS GHAT**.—Notice is hereby given, that for some years past, Bebee Ross's Ghat has ceased to be a Tide Waiter's station, though an Officer is sent thither at a particular season of the year for purposes chiefly relating to certain Articles imported on board **NATIVE VESSELS**;—and that Parties who may desire to pass Goods at that Ghat will be required, if permission be granted, to pay for an Extra Tide Waiter, as a condition understood and implied in their Applications, upon the principle which is generally applicable to the passing of Goods elsewhere than at the Custom House.—[23d February 1833.]

**MAFFEE ROWANAHS**.—All Persons concerned are requested to take notice of the subjoined Orders, as published in the Government Gazette of April 1831, otherwise the delay and inconvenience which may be experienced will rest upon themselves.

Samples of the Goods must be produced at this Office, and the No. and Date of Sea Import Register must be stated if possible. But by Order of the Board of Customs, dated 2d April 1833, to obtain Maffee Rowanahs for Goods of such sorts as are produced in this country, (and then are liable to Transit Duty) as well as Imported by Sea, either Sea Import No. and Date must be given, or whole Despatches must be produced for inspection at the Custom House;—otherwise Transit Duty will be charged.

All applications for **MAFFEE ROWANAHS**, must communicate the following particulars.—1st. The general or common name of each variety, or quality of Goods.—2d. The quantity and value of each description.—3d. The sort of packages in which the Goods are contained, with the marks or directions upon them.—4th. The number of each sort of package.—[2d April 1833.]

GENERAL DEPARTMENT, THE 26TH JUNE 1832.

**A**LL Public Officers of Government sending Advertisements to the *Calcutta Gazette* for publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

FORT WILLIAM,  
FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

**NOTICE** is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandise consigned to England, covered by Bills of Exchange, to be drawn, payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon, with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor

shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than  $\frac{1}{3}$  per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

} Esqrs.	} Esqrs.

The business of the General Meeting being concluded, the Meeting was made especial to consider the Propositions submitted to the Service in conformity with the Orders contained in the despatch of the Hon'ble Court of Directors, dated 27th May 1835.

It was explained to the Meeting that copy of the extract from the said despatch had been transmitted to every Subscriber to the Fund; with a request, that the reply signifying assent or dissent to the Propositions contained therein, might be transmitted in time to be laid before the present Meeting.

The replies being opened and examined it was found that the Assents, unqualified, were 264,—Assents, conditional, 5—Total Assents 269.

Dissents—Messrs. Deane and Lushington, Hughes and Houston.—Total Dissents *Four*.

The Hon'ble W. H. L. Melville, seconded by Mr. Dick, moved the following Resolution:

*Resolved*,—That the Propositions submitted to the Service in the despatch of the Hon'ble Court of Directors, dated 27th May 1835, having been accepted by the Subscribers to the Fund, their acceptance be now recorded.

This Resolution being put from the Chair, was carried with one dissentient voice—that of Mr. Houston. On the motion of the Hon'ble Mr. Melville—it was further resolved *nem. con.*

That the Managers of the Institution be requested to prepare the necessary rules to give effect to the said Propositions.

The same Gentleman then moved the following Resolution, which was seconded by Mr. Dick,—

That it be an instruction to the Committee in preparing the rules to give effect to the Propositions of the Hon'ble Court of Directors to look to the permanent capability of the institution to meet the demand upon it for the required number of Annuities for Retiring Servants, and to guard the Funds from any appropriation likely to interfere therewith.

The following Amendment was thereupon moved by Mr. Colvin, seconded by Mr. J. A. Dorin,—

That the Resolution already passed, directing the Managers to prepare the necessary rules to give effect to the Propositions contained in the despatch of the Hon'ble Court of Directors, is a sufficient instruction to them.

The Amendment being put from the Chair, there divided—for it 19, against it 12, being a majority in favor thereof.

The Hon'ble Mr. J. Elliot then moved, that the concluding para. of the Memorial addressed to the Hon'ble Court of Directors under date 25th September 1833, be read. The same was accordingly read as follows:—"In conclusion your Memorialists request, with a view to prevent Individuals from deferring their retirement until the determination of your Hon'ble Court shall be made known, that such modification of the existing rules in regard to the amount of Annuities, as your Hon'ble Court may be pleased to sanction, be declared applicable to the Annuities which shall be taken for the ensuing year 1834-35."

Mr. Elliot then moved, seconded by Mr. R. Saunders,—

That the case of the Servants who have retired subsequently to the transmission of the Memorial of the Service, dated 25th September 1833, in which their claim to benefit by any prospective modification was specially submitted to the Honorable Court of Directors, not having been noticed in the despatch, replying to that Memorial now before the Meeting,—the same be again recommended to the consideration of the Honorable Court—those Servants having retired in the confident belief that the Service was pledged to support their claim to participate in the benefits now about to be enjoyed prospectively by retiring Servants.

The above Resolution being put from the Chair, was carried unanimously.

On the motion of Mr. R. D. Mangles, para. 2 of the letter of the Honorable Court of Directors, was read.

Mr. Mangles then moved, seconded by Mr. Parker,—

That it be an instruction to the Managers of the Fund to solicit the Honorable Court of Directors to reconsider the Clause in the Rules relating to confirmation of Medical Certificate by the Examining Physician of the Honorable Court, after a residence in England on the part of the Absentee, of at least twelve months, with reference to the hardship which such a Rule may probably be the means of inflicting.

The above Resolution being put from the Chair, was carried.

The Chairman then stated, that since he had taken the Chair, a letter addressed to the Secretary of the Fund had been received from Mr. Richardson of the Civil Service,—not a Subscriber to the Institution—appealing to the present Meeting against the decision of the Managers by which his claim to be admitted a Subscriber was deemed, by them, inadmissible, in consequence of his not having made his election to be a Member and paid up his Subscriptions with Interest, within the period limited by the Honorable Court of Directors. The Chairman submitted to the Meeting, whether the letter should be read.—Ordered, that it be read and entered on the Proceedings of this Meeting.

A Statement of the case was then read from the Proceedings of the Committee of Managers.

On the Motion of Mr. Young, seconded by Mr. Parker,—

Resolved unanimously.—That the decision of the Managers in the case of Mr. Richardson, be approved and confirmed.

The Chairman then left the Chair and the Meeting broke up.

FORT WILLIAM,

FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

NOTICE is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandise consigned to England, covered by Bills of Exchange, to be drawn, payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or

deficiency be made with the Consignor himself by the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England, for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

#### NOTIFICATION

Of the probable DISCONTINUANCE of the LIGHT at POINT PALMYRAS during the S. W. Monsoon of 1836.

THE encroachment of the Sea on the Island of Myporah (commonly called Point Palmyras,) rendering it highly probable that the Light cannot be continued during the next S. W. Monsoon—Notice is hereby given, that, should such discontinuance take place, the Senior Pilot at the Station will burn a Blue Light, and immediately after fire a Rocket every half hour during the night, commencing at 7 P. M. and ending at 5 A. M.

2. The Vessel on board of which such Senior Pilot may be will be instructed to take up a position, the Point bearing W. b. N. distant 18 miles, and in 18 or 20 fms. water, and to keep in that position during the night as near as possible.

3. The Vessel on board of which the next turn Pilot may be will be directed to burn a Maroon every half hour, i. e. one quarter of an hour after the burning of the Blue Light and firing of the Rocket—and Vessels wanting a Pilot are required to make for the Vessel so burning the Maroon, if they can do so without inconvenience, as referred to in the Notification issued from this Office under date 1st July last.

4. The simultaneously firing a Rocket with the burning of a Blue Light is ordered to distinguish the Pilot's Station off the Point from the Floating Light Vessel at the entrance of the Eastern Channel. It is intended at the close of the present Monsoon to cause a Survey to be held on the state of the Island, when a definite notice will be issued.

By Order of the Marine Board,

CHAS. B. GREENLAW, Secretary.

Fort William, the 27th October, 1835.

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England, for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

NOTICE is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandise consigned to England, covered by Bills of Exchange, to be drawn, payable, to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by

the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

FORT WILLIAM,  
GENERAL DEPARTMENT, THE 26TH JUNE 1832.

**A**LL Public Officers of Government sending Advertisements to the *Calcutta Gazette* for publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

FORT WILLIAM,  
FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

NOTICE is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandize consigned to England, covered by Bills of Exchange, to be drawn, payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignee shall be at liberty to make advances to any other

party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicaa Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

## NOTICE.

*Abandonment of the Light at Point Palmyras, with Instructions for Vessels seeking a Pilot for the River Hooghly.*

The encroachment of the Sea, on the Island of Mypurrah, commonly called Point Palmyras, rendering it necessary to abandon the Light at that place, notice is hereby given, that the Light will be forthwith abandoned accordingly; and that from the 15th of March, till the 15th of September, the period during which the Pilot Vessels cruise off Point Palmyras, until further notice, the Senior Pilot at the Station will burn a Blue Light, and immediately after fire a Rocket, every half hour during the night, commencing at 7 P. M. and ending at 5 A. M.

2. The Vessel, on board of which such Senior Pilot may be, will be instructed to take up a position, the Point bearing W. by N. distant 18 miles, and in 18 or 20 fathoms water, and to keep in that position during the night as near as possible.

3. The simultaneously firing a Rocket with the burning of a Blue Light is ordered to distinguish the Pilot's Station off the Point from the Floating Light Vessel at the entrance of the Eastern Channel.

4. The Pilot Vessels during the above period cruise in the day off Point Palmyras, anchoring during the night in a line East and West in Latitude  $20^{\circ} 42'$  to  $20^{\circ} 48'$  N. with the Point bearing West to W. by S.; but the Senior Officer's Vessel shewing the Blue Light and firing the Rocket will be stationed as above. If, however, about the beginning of September the wind comes from the Eastward, or the weather assumes a threatening appearance, the Pilot Vessels necessarily haul off to the Eastward, and may be found in a line between the Point and the Floating Light Vessel at the entrance of the Eastern Channel; and Vessels approaching the Station about that period with the wind hanging to the Eastward, or the weather having a threatening appearance, are accordingly recommended on no account to approach the Point, but rather to endeavour to make for the Floating Light at the entrance of the Eastern Channel—and it is further notified that, after the 15th September, no Pilot Vessel will be found to the Westward of the Western Sea Reef.

5. From the 15th September to the 15th March the Pilot Vessels cruise during the day between Saugor Sand and Western Sea Reef, anchoring in the night East and West of each other in Latitude  $21^{\circ}$  to  $21^{\circ} 10'$  North.

6. Vessels approaching the Station on seeing the Pilot Vessels are requested, in the day, to make for that Vessel on board of which they will see a large Red Flag flying at the main, whenever they can do so without great inconvenience or delay. In the night, the Vessel having the next turn Pilot on board is ordered, between the 15th of March and the 15th September, while the Vessels cruise off Point Palmyras, to burn a Maroon every half hour during the night, or one quarter of an hour after the burning of the Blue Light and the firing of the Rocket; and between the 15th September and 15th March at the Floating Light Station at the entrance of the Eastern Channel every hour, and in thick weather every half hour, and Vessels are requested in like manner to seek their Pilot in the night from that Vessel; it being understood however that any Pilot Vessel which may be first seen is bound immediately to use every exertion to put a Pilot on board, night or day, without referring to any turns or rotations, and that this latter is only allowed when no delay is occasioned thereby.

## NOTICE.

**Abandonment of the LIGHT at POINT PALMYRAS, with Instructions for Vessels seeking a Pilot for the River Hooghly.**

The encroachment of the Sea, on the Island of Mypurrah, commonly called Point Palmyras, rendering it necessary to abandon the Light at that place, notice is hereby given, that the Light will be forthwith abandoned accordingly; and that from the 15th of March, till the 15th of September, the period during which the Pilot Vessels cruise off Point Palmyras, until further notice, the Senior Pilot at the Station will burn a Blue Light, and immediately after fire a Rocket, every half hour during the night, commencing at 7 P. M. and ending at 5 A. M.

2. The Vessel, on board of which such Senior Pilot may be, will be instructed to take up a position, the Point bearing W. by N. distant 18 miles, and in 18 or 20 fathoms water, and to keep in that position during the night as near as possible.

3. The simultaneously firing a Rocket with the burning of a Blue Light is ordered to distinguish the Pilot's Station off the Point from the Floating Light Vessel at the entrance of the Eastern Channel.

4. The Pilot Vessels during the above period cruise in the day off Point Palmyras, anchoring during the night in a line East and West in Latitude  $20^{\circ} 42'$  to  $20^{\circ} 48'$  N. with the Point bearing West to W. by S; but the Senior Officer's Vessel shewing the Blue Light and firing the Rocket will be stationed as above. If, however, about the beginning of September the wind comes from the Eastward, or the weather assumes a threatening appearance, the Pilot Vessels necessarily haul off to the Eastward, and may be found in a line between the Point and the Floating Light Vessel at the entrance of the Eastern Channel; and Vessels approaching the Station about that period with the wind hanging to the Eastward, or the weather having a threatening appearance, are accordingly recommended on no account to approach the Point, but rather to endeavour to make for the Floating Light at the entrance of the Eastern Channel—and it is further notified that, after the 15th September, no Pilot Vessel will be found to the Westward of the Western Sea Reef.

5. From the 15th September to the 15th March the Pilot Vessels cruise during the day between Saugor Sand and Western Sea Reef, anchoring in the night East and West of each other in Latitude  $21^{\circ}$  to  $21^{\circ} 10'$  North.

6. Vessels approaching the Station on seeing the Pilot Vessels are requested, in the day, to make for that Vessel on board of which they will see a large Red Flag flying at the main, whenever they can do so without great inconvenience or delay. In the night, the Vessel having the next turn Pilot on board is ordered, between the 15th of March and the 15th September, while the Vessels cruise off Point Palmyras, to burn a Maroon every half hour during the night, or one quarter of an hour after the burning of the Blue Light and the firing of the Rocket; and between the 15th September and 15th March at the Floating Light Station at the entrance of the Eastern Channel every hour, and in thick weather every half hour, and Vessels are requested in like manner to seek their Pilot in the night from that Vessel; it being understood however that any Pilot Vessel which may be first seen is bound immediately to use every exertion to put a Pilot on board, night or day, without referring to any turns or rotations, and that this latter is only allowed when no delay is occasioned thereby.

## NOTICE.

*Abandonment of the LIGHT at POINT PALMYRAS, with Instructions for Vessels seeking a Pilot for the River Hooghly.*

The encroachment of the Sea, on the Island of Mypurrah, commonly called Point Palmyras, rendering it necessary to abandon the Light at that place, notice is hereby given, that the Light will be forthwith abandoned accordingly; and that from the 15th of March, till the 15th of September, the period during which the Pilot Vessels cruise off Point Palmyras, until further notice, the Senior Pilot at the Station will burn a Blue Light, and immediately after fire a Rocket, every half hour during the night, commencing at 7 p. m. and ending at 5 a. m.

2. The Vessel, on board of which such Senior Pilot may be, will be instructed to take up a position, the Point bearing W. by N. distant 18 miles, and in 18 or 20 fathoms water, and to keep in that position during the night as near as possible.

3. The simultaneously firing a Rocket with the burning of a Blue Light is ordered to distinguish the Pilot's Station off the Point from the Floating Light Vessel at the entrance of the Eastern Channel.

4. The Pilot Vessels during the above period cruise in the day off Point Palmyras, anchoring during the night in a line East and West in Latitude  $20^{\circ} 42'$  to  $20^{\circ} 48'$  N. with the Point bearing West to W. by S.; but the Senior Officer's Vessel shewing the Blue Light and firing the Rocket will be stationed as above. If, however, about the beginning of September the wind comes from the Eastward, or the weather assumes a threatening appearance, the Pilot Vessels necessarily haul off to the Eastward, and may be found in a line between the Point and the Floating Light Vessel at the entrance of the Eastern Channel; and Vessels approaching the Station about that period with the wind hailing to the Eastward, or the weather having a threatening appearance, are accordingly recommended on no account to approach the Point, but rather to endeavour to make for the Floating Light at the entrance of the Eastern Channel—and it is further notified that, after the 15th September, no Pilot Vessel will be found to the Westward of the Western Sea Reef.

5. From the 15th September to the 15th March the Pilot Vessels cruise during the day between Saugor Sand and Western Sea Reef, anchoring in the night East and West of each other in Latitude  $21^{\circ}$  to  $21^{\circ} 10'$  North.

6. Vessels approaching the Station on seeing the Pilot Vessels are requested, in the day, to make for that Vessel on board of which they will see a large Red Flag flying at the main, whenever they can do so without great inconvenience or delay. In the night, the Vessel having the next turn Pilot on board is ordered, between the 15th of March and the 15th September, while the Vessels cruise off Point Palmyras, to burn a Maroon every half hour during the night, or one quarter of an hour after the burning of the Blue Light and the firing of the Rocket; and between the 15th September and 15th March at the Floating Light Station at the entrance of the Eastern Channel every hour, and in thick weather every half hour, and Vessels are requested in like manner to seek their Pilot in the night from that Vessel; it being understood however that any Pilot Vessel which may be first seen is bound immediately to use every exertion to put a Pilot on board, night or day, without referring to any turns or rotations, and that this latter is only allowed when no delay is occasioned thereby.

By Order of the Marine Board,

C. B. GREENLAW, Secretary.

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

FORT WILLIAM,  
FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

NOTICE is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandise consigned to England, covered by Bills of Exchange, to be drawn, payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouse of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and shall be subject to the management of the Court of Directors so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by

the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

H. T. PRINSEP, Secy. to the Govt.
